Letter No. J&C 132 /47-48
dated the 25th June 1948 from the ML Comm., Davangere city Mlty on the above subject

1) The ML Comm. states that a sum of Rs1,56,125- was provided during 1947-48 and that the outlay under the same is under scrutiny and that due to insufficiency of funds, progress could not be secured in 1947-48

2) He further states in this connection that there has since been good progress in the execution under public works amounting to Rs 12,22,145- out of which, the works ~~Good~~ to be carried out by the ML. Engineering section Amounts to Rs 6,97,000 under "Original Works" & Rs 75,000 under "Repairs" He further requests early sanction to his proposals

17/7/48 Para 1 of the ML Comm's letter abstracted

1 The statement in the last sentence of

in para 17 does not appear to be clear. It is stated that adequate progress could not be secured during 47-48 and in the very next sentence it is stated that "there is very heavy progress to" It is not clear what progress was achieved and when, as the letter is dated 25-6-48

Re 10-7-48

19) The Mc year lags by Commenced the M Cmr, Damangam Mf has sent its Budget Estimates for 1948 also he has to forward proposals for revising the strength of the Establishment of the Roads Wing of the Engineering Section of the Municipal Mr at an estimated cost of Rs 19000 per year.

20) As the financial condition of the Mf is very low, it has been suggested therein that the expenditure on this establishment may be limited to Rs 10,000/ per year & that the revised proposals effective from this year. So far as the Mc of Roads is concerned

21) It is seen from the M Cmr's letter that the scales proposed for the Technical posts are not in accordance with the revised Scales ~~proposed~~ sanctioned in

Subject - Engineering Establishment for Davangere City Municipality

Sir,

With reference to your No L 17144 dated 27th May 1948 on the above subject asking me to furnish details regarding the amount set apart for public works in the sanctioned budget of this Municipality, I have the honour to state that a sum of Rs 1,56,125/- was provided during the year 47-48 and the outlay under the same is under scrutiny due to insufficiency of hands adequate progress could not be secured during the year 47-48 [There is a very heavy progress under public works amounting to Rs 12,22,145/-, out of which the works to be carried out by the Municipal Engineering Section amounts to Rs 6,97,000/-, under original works and Rs 75,000/- under repairs]

Under these circumstances the existing staff consisting of one overseer and one Municipal Engineer is quite inadequate unless the draftsman, Tracer, Suboverseer are posted. It is therefore requested that immediate arrangements be kindly made for the posting of the staff noted in the reference cited above by kindly addressing the Chief Engineer for Irrigation
